Experience Excellence

Ocean Orthopedic Associates has been providing exceptional orthopedic care to patients along the Jersey Shore since 1969. Our physicians are fellowship-trained in sports medicine, spine, hand/upper extremity, foot & ankle, and adult joint reconstruction. We work with our patients to provide a personalized approach to their orthopedic care and rehabilitation.

Help Patients Move Beyond Chronic Tendon and Bone Spur Pain

Tenex Health TX® is a single procedure solution for treating and healing soft tissue.

Using ultrasonic technology and image guidance, Tenex Health TX percutaneously cuts and removes symptomatic soft tissue, helping patients heal rapidly with less discomfort, no stitches, and return to activity up to 4 times faster than open surgery.¹

≥ 85% 
Of Chronic Tendinitis Patients Effectively Treated²
